

BRIDGE Parking & Asset Management (BPAM) Parking Complaints Policy and Procedure

1. Introduction

The Bridge Group, Bridge Security Solutions Ltd. Bridge Property & Asset Management (BPAM) takes complaints seriously as they help us to improve areas of our products and services and to resolve any issues relating to the consistency and quality of our business operations.

Our complaints policy is an opportunity for customers to tell us when we might have fallen short of expectation, and how we can put things right.

Bridge Parking & Asset Management (BPAM) receive, evaluate, make and record its decisions on complaints in a non-discriminatory manner, in accordance with the requirements of the accredited parking association.

2. Policy Scope

The policy is designed to deal with concerns raised in relation to parking enforcement only; complaints that do not relate to matters pertaining to the BPA's Approved Operator Single Code of Practice, or Parking (Code of Practice) Act 2024 are not covered under the scope of the policy.

3. Definition of a Complaint

The complaints policy is not intended to be used as a method for motorists to appeal a Parking Charge Notice (PCN) or Notice of Parking Charge (NPC). Matters relating specifically to appeals must be made in writing as instructed on the notice itself.

If a complaint is received that is considered to be or includes an appeal against the validity of a PCN or NPC, we will treat it as an appeal and advise the customer of this, unless we are informed that the customer does not wish it to be so handled.

Our definition of a complaint is something about the quality of the service provided by an organisation, its processes and/or the behaviour of its staff.

Our definition of an appeal – correspondence shared against the decision of an organisation – in this instance, the decision to issue a Parking Charge Notice or Notice of Parking Charge – where a change to that decision is required.

4. How to make a Complaint

Customers who wish to make a complaint must do so in writing. This is to ensure we know exactly what the nature of the complaint is, and this reduces the possibility of ambiguity or of the customer's complaint not being correctly recorded over the telephone. The complaint will then be registered onto our system and a unique reference code generated.

Once the complaint has been received, we will acknowledge the complaint within 14 days and provide the unique reference code. The acknowledgement will be sent to the name and address, or email provided. In the absence of valid contact details, it may not be possible to process a complaint or process it within the published timeframes.

We will respond to complaints within 28 days of receipt. In some cases, however, the allotted timeframe could be extended due to the nature of the complaint and the complexities surrounding any investigation. If we are unable to reply to the complaint within 28 days, the customer will be written to, to advise of progress.

A complaint must be made in writing via email or post:

Email: info@bridgepam.com

Postal Address: BPAM Customer Services, Stamford House, Unit 2a Lagoon Road, Orpington, BR53QX

The complaint must be made within 56 days of the incident taking place.
